

**Breakout Session:** eLearning and Semesters

**Date:** 22 October 2009

**Goal:** How can eLearning assist in course conversion to semesters? The move to semesters presents a unique opportunity to weave eLearning into Ohio State's curricula. The objective of this session is to generate suggestions for eLearning support that the Office of the CIO can provide during the transition to semesters.

**Key Points/Questions:**

1. Planning tools
2. Enterprise-wide lecture capture system
3. Conversion of appropriate course elements online
4. Bridge courses for students in both quarters and semesters
5. Ensure learning technology support teams are at table now
