102829 QIT25hF : 1:cm:upset with the questions on survey, yelling about overhead not
102829 QIT25hF : 1:cm:funding I would like one uniform overhead policy

102829 QIT25hF : 1:cm:respondent wants to suggest several changes to how
funding is
102829 QIT25hF : 1:cm:determined, overhead should be uniform, distance learning
102829 QIT25hF : 1:cm:requires hours, so teaching loads must be reduced, develop
102829 QIT25hF : 1:cm:infrastructure, students are more visually oriented today
104231 QIT25hF : 1:cm:university should provide a profit sharing with instructors
on this

100547 QIT25oF : 1:os:students don't have access to the materials they need and

100547 QIT25oF : 1:os:the classroom situation is appalling .. items don't work

100596 QIT25oF : 1:os:reliability of technology

100626 QIT25oF : 1:os:instruction come alive for student

100638 QIT25oF : 1:os:biggest thing is the hardware issue.

100651 QIT25oF : 1:os:the whole lack of resources issue. there are only so many
hours

100651 QIT25oF : 1:os:a day, you have to prioritize.

100687 QIT25oF : 1:os:Increase in the quality of my teaching

100705 QIT25oF : 1:os:student need to be actually helped by this technology

100778 QIT25oF : 1:os:Osu is far behind

100857 QIT25oF : 1:os:Learning effectiveness

100882 QIT25oF : 1:os:the time it takes to develop course material, the payoff is
that

100882 QIT25oF : 1:os:is not great, the act of changing is not that great

100948 QIT25oF : 1:os:finding the time to develop it

100954 QIT25oF : 1:os:convenience

101114 QIT25oF : 1:os:inertia and lethargy

101205 QIT25oF : 1:os:teaching load

101254 QIT25oF : 1:os:if publisher of textbook provides web access for
supplemental

101254 QIT25oF : 1:os:materials

101266 QIT25oF : 1:os:his dept does a lot of instruction off campus in remote sites
so this

101266 QIT25oF : 1:os:is of need to him and also the time required to develop
teaching

101266 QIT25oF : 1:os:methods and instructional materials for distance learning
education

101278 QIT25oF : 1:os:availability of hands on assistance

 104565 QIT25oF : 1:os:in distance learning the ability of student to connect to
 courses, the
 104565 QIT25oF : 1:os:infrastructure just isnt there
 104607 QIT25oF : 1:os:availability of computer ready rooms major incentive
 104675 QIT25oF : 1:os:problematic because not enough rooms equipped for
 100plus students
 104675 QIT25oF : 1:os:on campus, nearly impossible to find a room and have to
 move all
 104675 QIT25oF : 1:os:over campus
 104735 QIT25oF : 1:os:wheter or not he decides instructional tech is educationally
 effective
 104735 QIT25oF : 1:os:if it is all the other incentives become #5's, if he decides not

104735 QIT25oF : 1:os:right way to teach he decides these will not influence his choice so

104735 QIT25oF : 1:os:these are #1's.

104747 QIT25oF : 1:os:creativity (enhanced) of delivery of information

104841 QIT25oF : 1:os:the content of the course. within the discipline certain topics

101266 QIT26F : 1:cm:determined by students and the needs to reach them

101448 QIT26F : 1:cm:course content would be difficult to do this way

101764 QIT26F : 1:cm:this is not applicable to her courses because her students work with
